I would The monthly meeting of the Rose-nary Library Board will be held on Saturday, February 11, at Mrs. W. S. Gordon's, 5 East Franklin Street, at and other irritating skin diseases. I would lie awake all night, and my suffering was intolerable. A scaly humor settled on my back, and being but a child, I naturally scratched it. It was a burning, itching sensation, and uterly intolerable, in fact, it was so that I could not possibly forget about it. It did not take long before it spread to my shoulders and arms, and I was almost covered with a mass of rew flesh on account of my scratching it. I was in such a condition that my hands were tied.

"A number of physicians were called, but it seemed beyond their medical power and knowledge to cure me. Having tried numerous treatments without deriving any benefit from them, I had given myself up to the mercy of my dreadful malady, but I thought I would take the Cuticura treatment as a last resort. Words cannot express my gratitude to the one who created 'The Cuticura Miracles,' as I have named them, for thank heaven there was such a miracle as the Cuticura Remedies sont to the suffering world, and now I feel as if I never suffered from even a pimple. My disease was routed by Cuticura Soap and Ointment, and I shall never cease praising the wonderful meritathey contain. I will never be without them, in fact, I can almost dare any skin diseases to attack me so long as I have Cuticura Remedies in the house. # No Return of Pain

### Those Mysterious Miseries

Backache, headache, and other pains, all over a woman's body, are often caused by some not-well-understood female ailment.

No one can tell just where female trouble will affect you. It acts in a different way on different people. Hence, treating the symptoms gives but little benefit, and the most successful method may be said to be the treatment of the cause-taking Cardui.

Cardui is a tonic, strength-building medicine, for women. Thousands of ladies have written to tell how they were benefited by using it, for their troubles.

Mrs. L. J. Ryder, Grand Haven, Mich., writes: "I was very sick, with all sorts of pains, due to female trouble. I had tried the doctors here, and was ready to give up hope. I could find no relief, till I tried your

wonderful medicine, Cardui. Since then, I have had no return of the previous trouble, or of any pains."

Cardui acts gently, yet quickly and naturally on the delicate womanly organization. It leaves no bad after-

effects. It is prepared from mild, vegetable ingredients, and contains no harmful mineral drugs. It cannot harm you. It is almost sure to help you. Why suffer longer?

All druggists sell Cardui, with full directions for use, on the inside of the wrapper. Drop in at your druggist's and get a bottle today.

TOTALLY DESTROYED.

Public School Building at Alberene Is Burned—Partially Insured.

(Special to The Times-Dispatch.)

Charlottesville. Va. February 9.—
The public school at Alberene, in the southern part of the county, the largest graded and high school in Albermarle, and a model for several others erected in the past two or three years, was totally destroyed by fire last night, together with its contents. Only one case of books from the school library was saved. The loss is partially covered by insurance. The origin of the fire is unknown.

The building, a two-story frame structure containing six school rooms, with an auditorium above running the entire length of the building, was erected about eight years ago at a cost of \$5,000. It replaced a two-room building, with an enrolment of eighty pupils. The first principal was T. S. Settle, who is now State Supervisor of Rural Schools, The present corps consists of Principal J. W. Givens and five teachers—Mrs. J. McFaden and Misses M. Chestnutt, V. Jacobs, Fannie Gianniny and Butler, and the enrolment is 200.

#### CAMP NEEDS FUNDS

Election of Tuberculosis Society's Officers Is Deferred.

Election of officers for the year was not gone into last night at the meeting of the directors of the Tuberculosis Camp Society, held at the Nurses' Settlement. The committee in charge of the preparation of a constitution and set of by-laws was not ready to report, and further business was deferred.

There was much discussion, however, of the financial situation in reference to Pine Camp, near this city, where indigent tuberculous patients are being cared for. The society is badly in need of funds to support and treat the inmates.
